

Over the Hills and Far Away written by Jimmy Page and Robert Plant.

Based on the playing of Jim Richter.

Please visit jimrichter.com for more information about Jim and other tabs.

Also, if you find this tab useful and would like to make a donation to effort of tabbing this, you can do so on the tab page at my website.

Arrangement is fairly close to Page's guitar playing. I've taken small liberties in a few places to make it more mandolin-friendly.
