NOTES ON VOODOO CHILD, AS TABBED BY JIM RICHTER

Though Jimi Hendrix wrote the song, the arrangement is mine.

If you feel so inclined, please donate to my efforts at <http://www.jimrichter.com>.

This is a very basic straightforward arrangement of the tune. It is mainly meant to guide you to correct

chords positions, licks, phrases, and position (especially in the solo). It is not an exact transcription of either my YouTube arrangement, or the Hendrix tune. This is meant to be accessible to players of all skill levels and as a springboard to your own creativity.

Thanks and good luck!

Jim Richter
